"Lawns should be as safe and friendly to earth's environment as they are to the kids and pets that roughhouse on them. Paul Tukey has written a hard-working guide for those who want to keep their lawns as natural as a mountain meadow."

— Robert Smaus, garden editor for the Los Angeles Times.

"His lively and passionate instruction . . . will delight lawn fanatics and provide sound advice for those who simply want to maintain their yard."

— Publishers Weekly, the nation's most respected trade journal in the book industry.
