We are a 501(c)(3) nonprofit organization whose mission is to promote the sound use and management of natural resources. The Annual Plant and Seedling Sale is our main fundraising event. All proceeds are used for conservation, environmental education, and technical assistance programs. At our sale this year we are pleased to offer a large and varied collection of Connecticut native plants. See inside for descriptions of our great selections, and make sure to pre-order to secure your choices. Limited numbers of extra plants will be available at the sale, along with additional flowering perennials.
